

Withholding Tax return deadline is fast approaching...

Grant Thornton Acumen 

...your tax compliance is essential to avoid penalties from BURS.

Your quick checklist

- Have you computed the PAYE / other Withholding Tax correctly?
- Have you computed tax on benefits / perks provided to your employees correctly?
- Have you been remitting the monthly Withholding Tax deductions within the required time frame?
- Are you familiar with the various Withholding Tax forms?
- Have you deducted Withholding Tax on interest paid?

The last date for filing the annual PAYE and other Withholding tax returns for the year ended 30 June 2007 is 31 July 2007. Our tax team is ready to assist you in computing the tax payable and completing the annual Withholding Tax return (ITW 10 and forms ITW 8/9).
